Kris,

Tom Knauer just called me regarding their requested extension. Apparently, he had not seen my email response back agreeing to an extension to January 8, 2017. He asked if they could have until the 15<sup>th</sup>, and I told him that I would not object. He'll put that in his response to my email.

He also indicated that Phil Sparks would want to discuss some technical issue with you, and that they would be calling soon.

Dennis
